

Chapter 18 section 2 "The Cold War Heats Up"
pp. 609 – 615

Name: _____

1. What issues brought the Chinese people to revolution against the Nationalist government headed by Chiang Kai-shek? Why was the Communist Party of Mao Zedong more appealing to most ordinary Chinese people?

2. What happens during WWII? When does it end? How do the Americans feel about the outcome?

3. Why did Korea get divided up in the first place? Why did North Korea attack South Korea? Did it go like they thought it would?

4. Who was in charge of U.S. troops in Korea? What was his plan?

5. Who jumps in on the other side of the Korean conflict?

6. What is MacArthur's big idea? What does Truman think about it? What is the problem with MacArthur's strategy to get his own way? Who wins, and why?

7. What is the outcome in Korea?
