Jelly babies
Armageddon
3 effects of a nuclear blast
Duck and cover

Big Essay Question: Be able to explain Truman’s policy of Containment (keeping the communists where they are, don’t let them extend their influence). How is this tried through economic means? Through military means?

Explain what these are and how they fit into the Containment policy:

1. Truman Doctrine
2. Marshall Plan
3. Berlin Airlift
4. NATO alliance
5. Korean War
